Dear Mr. Weiber:

This letter is in response to your July 29, 2012 Freedom of Access Act (FOAA) request, received at this office on September 21, 2012, for information pertaining to records of aerial drones, UAs, UAVs, and UASs.

There are no documents responsive to your request. We have searched all Maine Air National Guard offices and units that might reasonably be expected to have responsive documents.

If you are not satisfied with this action, you may appeal to the appellate authority, any Superior Court of Maine within 5 working days from your receipt of this letter. Your appeal should include copies of your original request and this response, as well as a discussion of the reasons supporting your appeal. The envelope should be plainly marked to indicate that it contains a Freedom of Access Act appeal.

This concludes the processing of your request. If you have any questions regarding this request, please contact SFC Rita Gossett, MEARNG FOIA Officer, at (207)430-5027 or by e-mail, FOIA@me.ngb.army.mil.

A handwritten signature in black ink, reading "Michael D. Smith", is positioned above the printed name.
